A national charity that gives disabled children and young people - up to the age of 26 years - the opportunity of participating in sport. They provide specially built wheelchairs, and support children with their sports: training, physiotherapy, travel, design and development of sports' wheelchairs. They also provide personalised manual wheelchairs and trikes for children to use every day; at home, at school, and to enable them to play with their friends. They support children with all disabilities and recycle outgrown equipment.
