Working and Researching for you

There are over  
10,000 people in  
the UK with **ataxia**:

a progressive neurological  
condition that can gradually  
undermine all physical ability.

If you can help by  
raising funds to find  
treatments and a cure  
for this generation,  
please contact Ataxia  
UK or donate online at  
[www.ataxia.org.uk](http://www.ataxia.org.uk) .

**Thank you.**
