ATAXIA

Ataxia UK

Ataxia UK is the leading charity in the United Kingdom that aims to support all people affected by ataxia; people with the condition, their families, carers and friends. Ataxia UK funds research into developing safe, effective treatments with the ultimate goal of finding a cure for the ataxias. The charity also helps people to live with ataxia in the meantime by providing a range of services that are not available anywhere else, for example a helpline, and an advocacy service.

We ask that anyone who wishes to join the Branch becomes a Friend of Ataxia UK. This is free of charge and you can sign up online at www.ataxia.org.uk/forms/joinataxiauk or by calling **0845 644 0606**

About the Branch

The West of Scotland Branch of Ataxia UK meets monthly in the **Community Space in Tesco Extra at Silverburn Shopping Centre, Barrhead Road, Glasgow, G53 6AG.**

In addition to our monthly meetings we try to provide information, raise awareness, undertake much needed fundraising for Ataxia UK and have social events. We also have a Facebook page. We invite speakers to come to our meetings (previous topics have included alternative therapies, benefits, research projects) and provide financial assistance if required to help members attend the meetings.

At our meetings we chat, discuss a variety of issues and offer support. You can be sure of a friendly welcome and of course tea and biscuits!

The West of Scotland Branch is part of Ataxia UK and is not independent. Having the same aims as Ataxia UK we are open to everybody affected by ataxia of whatever kind. We comply with Ataxia UK's policies and procedures.

We have a Branch committee which is a sub-committee of Ataxia UK and is made up of a Chairman, Secretary, Treasurer and Branch Helpers.

We welcome you to join our meetings, but if you cannot make them, we can email you the notes. To get in touch and for other queries, please do not hesitate to contact us at:
