PARTICIPANTS INVITED TO TAKE PART IN RESEARCH

Exploring Experiences of Identity in Young Adults with hereditary Ataxias in the United Kingdom

You may be eligible to take part in this study if you are:

- Aged 18-35
- Have a diagnosis of a hereditary ataxia.
- Symptoms for over 1 year.
- Symptoms began between 10-25
- Can access a computer or laptop with a working webcam and microphone
- Access to the internet
- Live in the UK

Participants will receive a voucher for completing the interview

What Does Participation Involve?

- Completing a short 15-minute screening survey
- If eligible: Completing a 1-hour interview online, where you will be asked to reflect on identity
